Node.js, Express.js, RESTful API Design, Authentication & Authorization

DevOps & Cloud:

Docker, AWS Cloud (EC2, S3, Lambda), Deployment & Configuration

Version Control & Collaboration:

GitHub, Branching & Merging, CI/CD Basics

Additional Skills:

Agile Development, JSON, API Integration, Debugging & Testing, Cross-Browser Compatibility

EXPERIENCE

Pick Kings - In Development

Free-to-Play Sports Betting Website, MERN Stack

- Building a full-stack sports betting platform using MongoDB, Express, React, and Node.js to deliver a seamless virtual wagering experience.
- Integrated The Odds API to fetch live betting data across NFL, NBA, and MLB events in real time.
- Designed and implemented MongoDB schemas to manage users, virtual coin balances, betting history, and leaderboards.

The Huddle

Fantasy Football Dashboard, MERN Stack

- Developed a real-time fantasy football dashboard with Socket.IO to broadcast live NFL game data and player stats.
- Created an interactive React interface for tracking player performance, game scores, and injury updates dynamically.
- Integrated a third-party NFL stats API to pull and display up-to-date player and team metrics.
- Engineered backend endpoints with Express and MongoDB, ensuring efficient data flow and minimal latency.
- Improved user engagement through live updates and custom leaderboard features, tested for scalability under active sessions.

ReadySetTravel

Figma Prototype and Travel Site- HTML/CSS.

- Created a Figma prototype from a provided mockup to create a seamless user experience.
- Converted prototype into a responsive, pixel-perfect HTML/CSS website.
- Applied modern UI/UX design principles to ensure visual consistency and mobile responsiveness.

EDUCATION

Bachelor of Science in Web Development (B.S.)

• Full Sail University, Winter Park FL

December 2025

Relevant Portfolio Projects: Front-end project recreating a Figma prototype in React. Designed a real-time fantasy football website displaying schedules, projected leaders, injury reports, and real-time fantasy points of players.

MILITARY SERVICE

Branch: United States Army.

Rank: Sergeant.

Achieved the Prestigious award of First Infantry Division Soldier Of The Year - 2015.
Attended and completed leadership training of Basic Leadership Course and Advanced Leadership Course.
Obtained awards of while deployed Combat Infantry Badge and Expert Infantry Badge.
